SECTION E

INSPECTION AND ACCEPTANCE

- E.1 SOLICITATION PROVISIONS INCORPORATED BY REFERENCE (JUN 1988) (FAR 52.252-1) (FAR Text Reference 52.107(a)).

This solicitation incorporates one or more solicitation provisions by reference, with the same force and effect as if they were given in full text. Upon request, the Contracting Officer will make their full text available.

The full text of any clause which is incorporated herein by reference will be made available upon request to:

U.S. Army Information Systems Selection and Acquisition Agency, 2461 Eisenhower Avenue, Rm 274, Alexandria, VA. The Federal Acquisition Regulation (FAR), and the Department of Defense FAR Supplement (DFARS), are available for purchase from the Superintendent of Documents, Government Printing Office, Washington, D.C.

- E.4 CONTRACTOR CERTIFICATION. (APPLIES TO POINT OF SALE SCANNERS (C.4.6), CONNECTIVITY DEVICES (C.4.14), AND RF DATA COMMUNICATIONS SYSTEMS (C.4.16.))

The Contractor shall certify in writing that all items provided, including all devices, system software, and application software (if any) are installed and ready for use and that the items comply with the manufacturer's specifications and with all technical requirements of Section C for the items which are to be installed. These certifications shall not lessen the Government's right to inspect and accept or reject installed equipment.

- E.5 PLACE OF INSPECTION AND ACCEPTANCE.

DAHC94-94-D-0003

(a) Inspection and acceptance of the supplies furnished hereunder shall be made by representatives of Defense Contract Management Area Organization (DCMAO) at a single contractor's facility. Where the contract provides for Government procurement quality assurance action at source, the place or places designated for such actions may not be changed without authorization of the Contracting Officer.

(b) Inspection and acceptance of the services shall be made by the using activity as stated on each delivery order.

(c) When off-the-shelf items (items already produced) are presented by the Contractor, the Government inspector is authorized to limit inspection to those procurement quality assurance (PQA) actions which can be performed.

(d) Inspection and acceptance of the Other Direct Costs (ODCs) for Technical Engineering Services shall be made at the using activity as stated on each delivery order.

E.6 ACCEPTANCE.

The Contractor is responsible for the completion of the Material Inspection and Receiving Report, DD Form 250. Formal acceptance of equipment and services by the Government, upon successful completion of the inspection and acceptance tests specified in the preceding paragraphs, shall be acknowledged on the face of the required DD Form 250. No payment shall be made on delivery of equipment and performance of services without formal acceptance being made by a duly authorized representative of the Government, acknowledging such acceptance by signature on the face of the referenced DD Form 250.

E.7 DATA ITEM ACCEPTANCE.

Government acceptance of data items specified in Exhibit A, Contract Data Requirement List (CDRL), DD 1423, shall take place at the location stated in the CDRL. The Contracting Officer's Representative will be the accepting official.

E.8 FIRST ARTICLE ACCEPTANCE.

The acceptance of the First Article shall be in accordance with the "First Article Approval--Contracting Testing," FAR Clause 52.209-3 found in Section I.
